----------------	--------------------------	-----------------------------------	-------------------------------	------------------------------------	--------------	----------------------	------------	--------------------------------	------------------------------

NOTE for Line Item 100-75: Safety of Life at Sea (SOLAS) requirement, chapter 11-2, reg. 15-1.1 is also allowed in winter months for the State of Alaska when fuel shall be used by non-DoD vessels. FLASHPOINT during the winter months (15Oct-15Apr) will be 125° F min. Access to every pier must accommodate vessels 90 feet in height or over. Uninterrupted docking space for a min of 72 hours is required to be furnished at contractor's refueling facility for a U.S. Government vessel. Contractor will provide a docking area of 400 linear feet at a minimum depth of 32 feet. Subject area will be away from the refueling area so as not to interrupt contractor's day to day operations. Additional charges for docking space are subject to the activity incurring them. Free time 1 hour. Detention is \$100 per hour.

NOTE for Line Item 110-75: SOLAS requirement, chapter 11-2, reg. 15-1.1 is also allowed in winter months for the State of Alaska when fuel shall be used by non-DoD vessels. FLASHPOINT during the winter months (15Oct-15Apr) will be 125° F min. Access to every pier must accommodate vessels 90 feet in height or over. Free time is unlimited. No detention costs.

NOTE for Line Items 115-751, 115-752, 125-75, and 140-75: SOLAS requirement, chapter 11-2, reg. 15-1.1 is also allowed in winter months for the State of Alaska when fuel shall be used by non-DoD vessels. FLASHPOINT during the winter months (15Oct-15Apr) will be 125° F min. Access to every pier must accommodate vessels 90 feet in height or over. Free time is unlimited. No detention costs.

NOTE for Line Item 120-75: SOLAS requirement, chapter 11-2, reg. 15-1.1 is also allowed in winter months for the State of Alaska when fuel shall be used by non-DoD vessels. FLASHPOINT during the winter months (15Oct-15Apr) will be 125° F min. Uninterrupted docking space for a min of 72 hours is required to be furnished at contractor's refueling facility for a U.S. Government vessel. Contractor will provide a docking area of 400 linear feet at a minimum depth of 32 feet. Subject area will be away from the refueling area so as not to interrupt contractor's day to day operations. Additional charges for docking space are subject to the activity incurring them. Free time 1 hour. Detention is \$100 per hour.

NOTE for Line Item 120-751: Harbor Enterprises cannot accommodate vessels 65 feet or taller as bridge span to the pier is 65 feet max during high tide. Vessels 65 feet or taller must use item 120-75. DESC has not granted any authorization for an alternate delivery mode for item 120-751. Free time is unlimited. No detention costs.

NOTE for Line Item 130-75: SOLAS requirement, chapter 11-2, reg. 15-1.1 is also allowed in winter months for the State of Alaska when fuel shall be used by non-DoD vessels. FLASHPOINT during the winter months (15Oct-15Apr) will be 125° F min. Access to every pier must accommodate vessels 90 feet in height or over. Kodiak Oil's facility is approximately 200 to 300 feet from the City Pier. Their pipeline runs from the facility all the way to the City Pier, then splits into 3 pipes each ending at a fueling header. These are approximately 30 feet apart. A meter and 3 inch hose is connected to the fueling header when a vessel is being bunkered. The pump flow rate is 250-300 barrels per hour. Per city ordinance, line handlers are not provided by the contractor but rather through longshoreman. As such, charges for line handling is for the account of the vessel.

NOTE for Line Item 130-751: SOLAS requirement, chapter 11-2, reg. 15-1.1 is also allowed in winter months for the State of Alaska when fuel shall be used by non-DoD vessels. FLASHPOINT during the winter months (15Oct-15Apr) will be 125° F min. Access to every pier must accommodate vessels 90 feet in height or over. Free time is unlimited. No detention costs.

NOTE for Line Item 135-75: SOLAS requirement, chapter 11-2, reg. 15-1.1 is also allowed in winter months for the State of Alaska when fuel shall be used by non-DoD vessels. FLASHPOINT during the winter months (15Oct-15Apr) will be 125° F min. Access to every pier must accommodate vessels 90 feet in height or over. Deliveries available after 1800 and all day Sat, Sun and Holidays with a \$50/hr overtime charge. After hours, telephone number is 1-907-424-5668 (home). No free time.

NOTE for Line Item 145-75: SOLAS requirement, chapter 11-2, reg. 15-1.1 is also allowed in winter months for the State of Alaska when fuel shall be used by non-DoD vessels. FLASHPOINT during the winter months (15Oct-15Apr) will be 125° F min. Access to every pier must accommodate vessels 90 feet in height or over. During the winter month (15 Oct - 15 Apr) a minimum flash point of 125° F is acceptable. Deliveries are available after 1700 and all day Sunday and Holidays with a \$12/hr overtime. Washington State Hazardous Substance tax of \$.007 is included in price.
